

GHWIC Success Story

Inter Tribal Council of Arizona: Umbrella Hub Arrangement

During an “All Hands” Community of Practice meeting (July of 2024), the GHWIC community came together to share where they have seen the most growth in their program since the start of the GHWIC work.

During this meeting, Vanessa Dodge (Program Evaluator) with the Inter Tribal Council of Arizona shared an update on their National Diabetes Prevention Program umbrella hub arrangement (UHA) efforts through a “roadmap presentation” format:
